## CIRCUS CLASSES PREREQUISITE EVALUATIONS

Prior to enrolling in a few of our beginning classes, and all of our intermediate & advanced circus classes, each student must undergo an evaluation by the trainer(s) to test the participant's eligibility for each class. Participants, with or without previous experience, must attend this evaluation prior to registering for this class.

**All Act Participants ~ your evaluations will be carefully reviewed by the Circus Director & Head Trainers of these classes PRIOR to you being informed of what class to register for. The reason behind this is to make sure that you are enrolled in the most appropriate class based on your safety, skill, strength, and maturity. Results of the evaluations will be emailed to you at the end of night. Registration will not take place until all of your evaluations have been completed for each of your children.**

**Registration for ALL classes will open on August 28<sup>th</sup> at 5:00am.**

At the prerequisite evaluations, Head Trainer's will be using Skill Evaluation Forms that list the pre-requisites needed for specific classes. Each participant will be given the opportunity to perform these skills to the best of their ability, and will be given a score by the Head Trainer. Circus participants will be placed into the most appropriate classes according to their strength, experience and skill development. All of our Circus classes have established class size maximums for safety reasons, so to avoid being wait-listed you are required to set class fees on a draft once you have been notified of the classes your child(ren) have successfully qualified for.

If a class reaches its maximum capacity, your name will go on a waiting list. If a space opens up in a class that has a waiting list, we will offer the open space to the first person on the list. We will keep in touch with you to keep you informed of any openings in classes as they come available. Please do not call the YMCA to inquire of your Wait List status.

**Enrollment for ALL classes will close on October 31<sup>st</sup>. You will be able to register for classes until October 31<sup>st</sup> unless these classes have reached their maximum capacity prior to that deadline.**
