WHERE FAMILY ROOTS AND FUTURES GROW.

My family's story with the Highland Family YMCA began 28 years ago. It all started when my son Marcus joined Biddy Ball at just 4 years old, and soon after my daughter Malorie enrolled in gymnastics at the San Bernardino Y. As our family grew, my sons Matthew and Myles also participated in Biddy Ball and soccer at the Y.

Over the years, I coached my sons in basketball and we spent countless hours in the gym. Through the Y, I helped my sons develop athletic skills with two of them earning Division 1 scholarships! The Y provided a safe and affordable environment, helping us all grow. I've been able to maintain my membership with financial assistance and have added my great-nephews and grand-daughters to our family membership. They've enjoyed summer camp and swimming, with one nephew even joining a competitive swim team.

The Y has been central to my family's fitness journey and remains a place where we stay connected. Here's to another 28 years of being a proud member of the Highland YMCA.

WHERE FAMILIES FIND SAFETY, SUPPORT AND COMMUNITY.

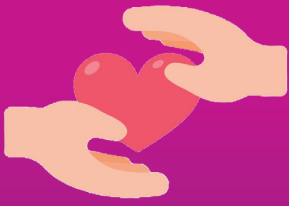

I became a member of the Highland Family YMCA when I signed my son up for Itty Bitty Basketball in March 2023. I've always been familiar with the YMCA and the positive community activities it provided when I was growing up. As a parent, I wanted my son to be involved in something positive, and the YMCA was the perfect choice. Our goal in joining was to engage with the community through sports, fitness, and other enriching activities.

One of the things I truly appreciate about the YMCA is the welcoming atmosphere, supportive staff, and the variety of programs it offers for children and families. It's a safe and comfortable environment where people are encouraged to grow and connect. During my one of my son's games, a staff member acknowledged me for being a supportive parent, which made me feel valued. His coach was also fantastic! He showed patience and creativity while working with the kids. I highly recommend the YMCA to other families for its positive impact, affordable options, and its ability to bring the community together in a healthy, meaningful way.

YOUR CONTRIBUTIONS AT WORK >>

\$87,324

has enriched our community and allowed people to get healthy at the Y only because of the financial assistance program.

400

scholarships were awarded so that kids could participate in youth sports programs like basketball, dance, swimming, soccer, and more.

490

children from local schools were bussed to our YMCA as part of their school day for our life-saving safety around water swim lessons.

410

children participated in Day Camp, which allowed families to work while their children had a safe place to learn, play and make friends.

At the Y, we promise never to turn anyone away due to an inability to pay.

Every child deserves the opportunity to be a Y kid and take part in life-changing programs! Financial assistance ensures that the Y remains accessible to kids and families who need us the most. We rely on the generosity of our members and the community to support individuals of all ages and backgrounds in their journey towards improved health, confidence, connections, and security. Your donation to the Y makes a meaningful and lasting impact right in your own neighborhood.
