WE'RE MORE THAN A GYM. WE'RE A CAUSE.

A sports experience is not something my husband or I had growing up, but we knew our children would benefit from it. The life lessons and skills learned and developed playing sports are invaluable, so we started our son, Brandon, at the Highland YMCA at six years old. Joining the youth basketball league allowed him to practice weekly and play year-round.

My son loves playing basketball and I love being able to show him what preparation looks like, what commitment looks like, what getting better every time looks like, what working together looks like, and what respect looks like. It's invaluable for him to have these experiences playing weekly basketball, and I am forever grateful for the Highland YMCA and its team and the opportunity they provide.

- Marquetta (Brandon's Mom)

Your donations allow kids like Brandon to have opportunities like participating in youth sports.

HIGHLAND YMCA 2025 ANNUAL GIVING CAMPAIGN

SHAPING BRIGHTER FUTURES.

The YMCA helped us when we were going through a tough time and faced homelessness. Thanks to the financial assistance program, we were able to keep our membership. Keeping our membership gave us a safe place to shower, participate in programs, and take a break from our worries. It meant so much to us and helped us stay positive. Since then, things have gotten much better. We have a new home and are doing well in many ways.

Before we joined the YMCA, it was hard to find a safe place for our family activities. My son DeMillo, who is 13, really loves the basketball program. He has learned how to play, helped his confidence by being part of a team, and he has made friends along the way. Now, we are even more excited to try other exercise programs and swimming.

It's not just a gym or a community center – it feels like a second home where we're loved, supported, and inspired to be better. Thank you for making such a welcoming place for everyone. The YMCA has really changed our lives, and we're so glad to be part of it.
