WE'RE MORE THAN A GYM. WE'RE A CAUSE.

Jack was a Y member many years ago as a youth, playing football and baseball. After a long break, he and his wife rejoined the Y about six years ago, and it has been a true blessing. Over the years he faced heart issues, weighed 250 lbs, and eventually needed surgery. However, since rejoining the Y, he's transformed. Now he weighs 138 lbs, and thanks to the Y's swim program, his heart is stronger than ever.

A couple of years ago he had rotator cuff surgery, losing much mobility. The San Bernardino YMCA's swim program played a vital role in restoring his shoulder's strength and flexibility. He also enjoys teaching Bible study with his wife, every 2nd Friday at the Y, which has helped him open up, build relationships, and develop strong communication skills.

"Today I feel great, my health is strong, and I'm confident in my interactions with others. Turning 70 this year, I'm grateful for the Y and believe my purpose is to help others in need," says Jack with a big smile on his face.

IMAGINE YOUR IMPACT

SAN BERNARDINO YMCA 2025 ANNUAL GIVING CAMPAIGN

SHAPING BRIGHTER FUTURES.

I was searching for a place for my daughter, Victoria, to learn how to swim, and that's when I discovered the San Bernardino YMCA. I never learned how to swim myself, but I knew it was important for Victoria, who is 7, to develop this skill.

At first, Victoria was nervous and hesitant, but thanks to the swimming instructor, she gained confidence in the water and learned essential skills like submerging and floating. Since Victoria is non-verbal, the instructor had to learn how to communicate with her. I'm proud to say she now knows how to swim and is able to get out of the water on her own.

What stands out most about the Y is its inclusion of children with special needs. Sadly, not all places accept children with disabilities, but the Y does. I'm deeply grateful for the financial assistance and everyone who supports these programs and ensures all children have the opportunity to thrive. The Y has become a pillar of hope and support for our family.

We rely on the generosity of our members and the community to support individuals of all ages and backgrounds in their journey towards improved health, confidence, connections, and security.
